Cast Member Production Commitments

- 1. The score will be purchased by the cast member and will be available at Madison Music. Cast members are strongly encouraged to become familiar with the score prior to the first rehearsal.
- 2. There is a calendar attached listing the rehearsal schedule and notable events. **Please cross off all dates which are conflicts.**
- 3. Each cast member is required to help with posterage. We split up into groups and cover various locations in town.
- 4. Each cast member is expected to promote the sales of show tickets. Early ticket sales are essential to help pay for set construction, program printing, advertising, labor, and other up-front expenses.
- 5. Each cast member consents to video and audio taping of the production for later public release and sale on DVD and CD for the benefit of the Madison Savoyards, Ltd.
- 6. **Each cast member is required to help with the strike on Sunday, July 27.** Please allow 2 hours and plan accordingly. If you have family/friends coming to the matinee, please make arrangements to join them after 8:30. Strike, for those unfamiliar with the theatre, is when we completely take the set apart for removal from Music Hall to the warehouse. With a team effort, it goes quickly.

I have read and understand the above requirements. Initials: \_\_\_\_\_
